

9th August'2010

Workshop for Classes IX and X

Topic : Effective Communication Skills

The Resource Person, Ms. Vandana Tandon, an associate from NIE, emphasized that communication is an effective way of exchanging thoughts and ideas. She highlighted on various methods of communication skills and informed the students about the need to develop these skills in today's competitive world in order to make a mark in future. It was a highly interactive and informative session wherein the students were provided with useful tips on Voice Modulation, Intonation and Body Language which are important tolls for effective communication.
